

Vancouver Chapter Harley Owners Group Business Meeting April 07, 2001

The meeting came to order at 10:10 a.m. at Paul's Restaurant

Several members rode today. We welcomed back our "snowbirds", Reno and Florence.

There were 30 members in attendance today.

Dave Wallace read a note from Fred Deeley Imports, acknowledging the unfortunate passing of Trev Deeley's wife, Joyce, on March 25. We will be making a donation to the "Daring to Believe" Foundation in Joyce's memory. Our heartfelt sympathy goes out to Trev and his family.

OLD BUSINESS

1. March 17 was the LOH Wacky Casino Night. This was a huge success, and thanks were given to all volunteers who made this possible. Approximately \$1100.00 will be donated to the Abused Women Recovery program, thanks to the success of this fun evening.
2. March 29 was dinner at the On Loc Restaurant in Vancouver. Fourteen people attended, and it was reported that the meal was delicious. Thanks to R-jay for doing the ordering.
3. March 31 was to be the Deeley Demo Rides, but Mother Nature did not cooperate. This event is unable to be rescheduled, so hopefully next year the weather will be better.
4. April 01 was Dan's April Fools Ride. The weather cooperated (most of the time), and a good time was had – 14 bikes were in attendance.
