

Vancouver Chapter Harley Owners Group Business Meeting April 10, 2010

Meeting came to order at 10:05 a.m. Almost all attending members rode today. Vern introduced two new members, Sandra and Eric.

Guy from Trev Deeley's received a letter from the president of a Swedish H.O.G. Chapter, who had attended the Olympics. Guy also mentioned that tomorrow, April 11, will be Demo Days at Trev Deeley. When Trev Deeley's has their Show n' Shine on May 29, there will be a special people choice award for Vancouver H.O.G. members only. You can enter your bike in the regular event, but we will also qualify to enter the special 'members only' event. The Service Department is checking any members bikes today during the meeting free of charge.

Past Events:

- March 13 – Trev Deeley's birthday weekend, including cake.
- March 14 – The Ladies of Harley tried to plan a brunch, but it had to be cancelled because the restaurants would not take reservations.
- March 25 – Ladies Garage Party at Trev Deeley's, for women who are either interested in learning to ride, or are new riders. Some of our women members attended to give pointers. Trev Deeley Motorcycles appreciated their attendance!
- March 28 – Vancouver Swap Meet – only one member attended.
- April 10 – There is a ride scheduled for after the meeting today. The destination will be decided after the meeting.

Upcoming events:

- April 11 – Demo Days at Trev Deeley. A sign up sheet will be distributed for anyone interested in either being a Road Captain, or assisting with the barbeque. Because of the construction at the back of the store, the event will begin at the front of the store, on Boundary, as will the set up for the barbeque. Road Captains please be at the store at 9:00 a.m. and barbeque volunteers should be there at about 9:30. Diane and Sandra will be picking up the food, and they could use some volunteers to help with that.
- April 17 – Official Season Opener ride, which will leave the store at 10:00 a.m.
- April 18 – Tsawwassen Swap Meet
- April 22 – Officers meeting at 7:00 p.m. – Vern will contact the officers when the location has been determined.
- April 25 – Ride to Squamish, leaving at 10:00 a.m.
- May 1 – Monthly H.O.G. meeting 10:00 Trev Deeley's.
- May 7 – International Female Ride Day. Trev Deeley's will have a ride organized for that day. More details at the next meeting.
- May 8 – Ride to Harrison, leaving at 10:00 a.m.
