OLD BUSINESS

- July 12** – Overnighter to the States – 5 people participated and 12 from the States were there.
- July 20** – Burn Camp Ride – Good turnout at Brackendale, with a few hitches, which will be ironed out by next year. There were 65 bikes participating, and 20 hot rods. There were Trev Deeley employees in attendance. The wait was worth the look on the kids faces. Huge thanks to Gerry who works unfailingly to make this event a success.
- July 27** – Bullhead Salmon Barbeque – this year it moved to the Sunshine Coast at Gord's house. Gord hosted and organized a ride with a poker fun and food. There were 20 – 25 bikes, and 29 people participating. Lots of food to be had, and the door prize winners were 3 women and 1 man.
- August 02** – Bill & Terra completed the "butt buster".
