NEWS from Trev Deeley Motorcycles (Chapter Sponsor):

Darwin spoke on behalf of the store.

Good Morning, after many years of dedication to the Vancouver Chapter H.O.G., Vern and Diane Bye have announced that they are stepping down as officers. They have asked that I read the following to you:

To the HOG Family and Friends:

Years ago when both the Anderson family and Dan McNeil welcomed Diane and I into that tiny boardroom, we had no idea the friends and family we would gain. Later when we became officers, the help and support from the Deeley's staff and H.O.G. members were unbelievable. Diane and I would like to thank the Trev Deeley staff, past and present, but most of all the officers and members of the H.O.G. Chapter for without you the chapter would not be where it is today. After many hours of discussion, Diane and I have come to the difficult decision to step down as officers. This does not mean we are leaving the Chapter for we are and will always be Vancouver H.O.G. members. So in the future, when our paths cross and they will, let's swap stories, share a laugh or best of all, just go for a ride.

Vern and Diane Bye
