From the Director...

I'm sitting here looking back on last year. It seems like just a month ago we were on the road heading for the 95th in

Milwaukee. Rain, snow, wind, more rain and finally sun when we reached our destination. Then there was the day we all headed over to the Sunshine Coast for David Trant's observation and poker run. What a day... great ride, great weather and great steaks. How about the Bullhead BBQ and scavenger hunt, another day with lots of riding, fun and food. There were also all those rides that just happened when a

group of us just met up at Deeley's and decided to go for a run. I don't know about you but I had a good year and this year is shaping up to be even better.

We have a bunch of new faces in the chapter executive and I thought I would introduce them to you. For the first time our chapter has LOH officers, their names are Diane Bye, Sandra Anderson and Jeanette Wilkins. So far they have been very busy. The ladies challenged Delta to a bowling night, which was a lot of fun. They are also organizing a Sweetheart Dinner, a pool night and a casino night. Dan McNeil has become our new Activities Officer and with the help of Terry Rea I'm sure they have a lot of events planned for us. The chapter is lucky this year to have Vernon Bye, Rick Anderson and RJ as Road Captains, Gordon Wilkins and Darwin Osarchuk will also be helping them out. John MacArthur will be rounding out our "road crew" as Sargent at Arms. Returning, as Photographer is Norm Hill, he will be getting help this year from a group of contributing photographers. As usual the guy in the chase vehicle will be Paul Stevens who is back as Safety Officer. Lee Andreasen is our Treasurer and Tracee McEwen is the Editor of our newsletter. Last and definitely not least is Dave Wallace who will be once again be contributing as the Assistant Director.

So if you see any of us around, come up and say hi. ☺
