Vancouver HOG Chapter won the award for signing up the most participants. On the day we had 8 bikes, 9 riders. Murray Thompson led us from TDMC to KPU in Langley where we met up with all those riding for the cause. Steve and Wendy then took over, leading us through the Langley area for various stops and challenges to earn points for prizes at our final yet to be disclosed location. Murray Thompson, Marc Varty and Teresa Varty were recognized for raising over \$1000. Marc Varty was in the top 11 of fundraisers. Our Vancouver HOG chapter raised \$5915 for Prostate Cancer BC. OFFICER REPORTS**SAFETY REPORT**

TERESA VARTY *Safety Officer*

Motorcycle Safety means inspecting your motorcycle, wearing proper motorcycle riding

gear, and riding defensively on the road. A recent study found the causes of motorcycle crashes can be attributed to:

- lack of basic riding skills
- failure to appreciate the inherent operating characteristics.
- failure to appreciate the limitations of the motorcycle.
- failure to use special precautions while riding.
- failure to use defensive driving techniques.
- lack of specific braking and cornering skills.
- failure to follow the speed limit.

Approximately half of all fatal single-vehicle motorcycle crashes involve alcohol. A motorcycle requires more skill and coordination to operate than a car. Riding a motorcycle while under the influence of any amount of alcohol significantly decreases an operator's ability to operate the motorcycle safely.

So please be prepared, ride safely, be diligent and don't take unnecessary risks.
