Chapter Number 9022

January, 1998

From the Directors...

I trust everyone had a great time over the holiday season and the little elf that rides the Harley was good to you.

Time flies when you are having fun and it seems like it was just yesterday that we were out there enjoying an excellent riding season, even though it was a somewhat wet one. With the new riding season just around the corner that itch in the right hand is starting to show up on a regular basis.

Check the year printed above your name on the mailing label, if it is 1997 we have not received your renewal as of the date of mailing this newsletter.

We will be purging the mailing list once this newsletter has been mailed and this will be your last newsletter.

As our membership year is January 1 to December 31, that means that your discount status on your account at the store has been deleted as well.

Make sure that you don't miss out, get your renewals in today.

As there were only 2 nomination forms returned and they were identical in the people nominated,

by acclamation the following are your 1998 Executive Officers.

Swap Meet

It's just around the corner and once again this year the Chapter will have a table at the Motorcycle Parts Swap Meet.

Those members that have renewed their 1998 membership are entitled to use this table as a means to sell their surplus parts and accessories. (The fee for this service is 10% of the amount the parts sell for.)

We also need some volunteers to work the table at the Swap Meet, as well as the Saturday before to receive, record and label parts. If you would like to help, please contact me at 945-8205.

New Social Meeting/Ride Schedule

As a result of your feedback on the Member Survey last fall we will be changing the Social meetings/rides to the 3rd Sunday of the month.

The Business Meetings/Rides will continue to be held the 1st Saturday of the month, except where there is a holiday in the 1st week, then the meeting moves to the 2nd Saturday.

95th Anniversary

It's only a few short months until we start packing the saddle bags and making our way to Milwaukee for the 95th Anniversary Reunion and the excitement is beginning to build.

Ride options and details will be available at and discussed at the next few business meetings.

Well enough of my ramblings, I just looked out the window and I see that Mother Nature has reminded me that it's still winter. There's a foot of snow out there and I've got to figure some way to con somebody into shoveling it off the driveway.
