

Vancouver Chapter Harley Owners Group Business Meeting January 3, 2009

The meeting came to order by Director Vern Bye at 10:12am at Trev Deeley Motorcycles Conference Room.

HAPPY NEW YEAR!

Two new members present at today's meeting. Welcome Richard and France to the Harley's Owners Group, Vancouver Chapter.

OLD BUSINESS:

December 1st – 7th was Christmas Shopping week (discounted prices for Vancouver Chapter members only). Thank you Trev Deeley Motorcycles.

December 6th & 7th was Photos with Santa. There was a last minute H.O.G. group photo taken. This photo is on the Trev Deeley Motorcycles website. The H.O.G. chapter will be providing copies and will be given to the members who were in the photo.

Thank you to all who donated money at the last meeting towards sponsoring families from the Christmas Bureau. In approximately 10 minutes \$751.00 dollars was raised. Thank you Terry Sue, for getting this started. The H.O.G. chapter donated another \$249.00 to make it \$1000.00 enough to sponsor two families. After reading this in our December H.O.G. Chapter minutes, Malcolm Hunter donated \$1000.00 to match our donation for a total of \$2000.00. Thank you Malcolm! We also received another \$100.00 and toys were also given and dropped off at the store. We raised \$2100.00 and we had enough to sponsor 4 families this year! All were overwhelmed with our generosity. Again, thank you to all and especially Terry Sue for organizing and for the shoppers Vern, Diane, Rick and Sandra who presented our gifts to the families.
