### NEW BUSINESS:

Darryl discussed BCCOM updates. Also was mentioned that every bike rider is encouraged to become a BCCOM member if not already. This is a great group that has helped out all bike riders in one way or another. Some examples are first loading on BC Ferries, Bike parking in White Rock, Riding in the HOV lane on the freeways, beanie helmets, etc.

Dan McNeill read the report from Gerry Rooyackers regarding the Burn Camp. The report was as follows:

- July 25 - Burn Camp Day Ride Events
- Registration at Trev Deeley 12:00 to 1:00
- Ride Bandana by donation – sample in store
