The meeting came to order by Director Vern Bye at 10:04am in the Trev Deeley Motorcycles Conference Room. We had 5 new members at today's meeting. Welcome Ross, Bob, Paul, Harold & Doug to the Vancouver H.O.G. chapter.

A large number of the members rode to the meeting today.

OLD BUSINESS:

May 8th – Ride to Harrison. Great weather & fantastic ride. It was also International Female Ride recognition weekend and there were a few ladies that joined in the ride.

May 16th – Ride to Snohomish Show & Shine

May 19th – Wednesday evening ride cancelled due to weather.

May 21 – 24th - The Bug Run overnight ride to Omak, Coeur D'Alene & Grand Forks had it all, snow, frost, rain, sun, gravel, overall if you didn't attend you missed a great weekend.

May 26th – Wednesday evening ride cancelled due to weather

May 29th – Trev Deeley Motorcycles Show & Shine & BBQ. The show & shine portion of this event was postponed due to poor weather, however we continued with the BBQ as there still were lots of outside vendors. We raised over \$300.00 at the BBQ. The Show & Shine has been re-scheduled for June 19th. Don't forget the special category at the Show & Shine for Vancouver H.O.G. members who register their bikes. You can enter in the H.O.G. chapter class and/or the open group class. We will again have our BBQ so if you are interested in helping out, please contact Vern & Diane.

May 30th – 'Ride to Live' ride. They raised \$160,000.00 toward prostate cancer and the money will stay in BC – way to go!

June 2nd – Wednesday evening ride cancelled due to weather.

June 4th - 5th - Kamloops Poker Run
