### **OLD BUSINESS**

February 15 – Sweetheart Dinner at the Rocking Horse – 42 people attended. There were lots of donations to the soup kitchen collected, and Dan will deliver the items. Our thanks to all who donated door prizes, in particular John and Roberta and Dave and Jean, who donated even though they were unable to attend the event.

February 16 – Monroe Swap Meet – not as many displays as usual, but more room to walk around.

February 23 – Vancouver Swap Meet – Gerry set up a booth at this meet, and sold several items for the Burn Camp.

We have sent a patch to the Mototown Chapter, as mentioned last month, for their quilt.

There is no new information on the level 1 first aid course.

There is also no news on an advanced rider course.

### **NEW BUSINESS**

We welcomed Michael Megson, of Megson Fitzpatrick Insurance in Victoria, who spoke to us about private motorcycle insurance. Megson Fitzpatrick are still insuring motorcyclist, and ING Western is the carrier. This was very interesting, and well worth members looking into alternatives before insuring. Our thanks to Michael for his time.

Regarding the 20<sup>th</sup> Anniversary H.O.G. pins and patches, Deeley's will be bringing these in and taking care of the sales of them.
