**Vancouver Chapter
Harley Owners Group
Business Meeting
March 6, 2004**

The meeting came to order at 10:10 at the Sushi Riders Café. Several members rode today. We welcomed our new member, Brian and also welcomed our guest "Bones" from Ontario.

OLD BUSINESS

- February 14 – Sweetheart Dinner, held at the Shark's Club – about 35 – 36 attended. The members agreed that the food was poor, and it was decided to try another location next time.
- February 15 – Monroe swap meet, which was a success, with good buys to be had, although it was substantially smaller than previous years, with fewer vendors. The swap meet is apparently under new management.
- February 21 – Langley H.O.G. bowling night, with over 30 attending. Lots of fun – 2 regular games, and 1 "wacky" game.
- February 22 – Vancouver swap meet. It was reported that it was excellent. Gerry had a table for the burn camp at the swap meet, and did very well.
- The privacy act issue is still not settled, so there will be no mailouts until this is settled.

NEW BUSINESS

- The store which opened in Park Royal is doing very well, and will have a grand opening on Sunday, March 14 from 1 – 4 p.m.
- Gerry has a large selection of burn camp attire available for sale. There is a larger selection of women's attire this year.
- We received a thank you letter from Quest (the food bank) for the donations we delivered after the Sweetheart Dinner.
- The Accent Inns are offering a discount to H.O.G. members – Terry Rey has more details.
- There are several barbeques planned for the upcoming events, including the Demo Rides on March 20, Pedal Car races April 3 (donations from this will go to Canuck Place), the H.O.G. Garage sale on April 24, and the Show n' Shine in June.
- It was decided, that because of the Pedal Car Races happening on Saturday, April 3, we will have a short early meeting. This will take place at 9:00 at the Riders Sushi Restaurant.
- As of March 28, Trev Deeley Motorcycles will be open Sundays, excluding the service department.
