

Vancouver Chapter Harley Owners Group Business Meeting March 7, 2009

The meeting came to order by Director Vern Bye at 10:05am at Trev Deeley Motorcycles conference room.

There were five new members present at today's meeting. Welcome Craig, Joan, Denny, Jeff, Rex to the Harley's Owners Group, Vancouver Chapter (if I missed anyone I apologize).

There were a few that actually rode to the meeting today (must have been 'plugged' in).

OLD BUSINESS:

February 1st was an executive meeting. We discussed past and future events. Everything is going smoothly so far.

February 15th a lot of members and families came out to enjoy a great brunch at the Mission Springs Pub. Please remember that reservations are made for our large groups and not to show up too early. If we show up early with a large group, it takes away from the restaurant business. It may be also uncomfortable for the restaurant staff as well as our members if the restaurant is not yet ready for us. Restaurants may not take our reservations next time.

February 28th was a special executive meeting regarding the Burn Camp fundraising. After a long discussion, it was decided that we will not be selling T-shirts next year. Sales are not going very well which could be due to the economy, T-shirt design, what items are available or just that it has run its course. We still will be fundraising for the Burn Camp, so if you have any suggestions or any ideas, please present them to any Vancouver Chapter H.O.G. executive. This year the T-shirts will be sold at our meetings, Trev Deeley events or they are also available through Trev Deeley Motorcycles
