

Vancouver Chapter Harley Owners Group Business Meeting May 5, 2007

Before our meeting started Sherri & Darwin invited everyone to the 90th Anniversary & Grand Opening of the new location of Trev Deeley's on May 6th. Sherri gave us updates on what we will see and what is available to everyone at the opening. Just some of the things are the motorcycle exhibition that will be open to view, 50/50 draw, door prizes, silent auction, live music, motorcycle demonstrations and lots more. There will be a Vancouver Chapter H.O.G. booth set up with our banner and a list of our events. There will also be some chairs for us to use. No one will be required to look after the booth. She also thanked all that asked to volunteer for the event. It is appreciated, but no volunteers are required that day.

The meeting came to order by Director Vern Bye at 10:15 am at Trev Deeley's Conference Room. I think everyone rode to the meeting today. We finally had some nice weather to ride! We welcomed a new member to the Vancouver H.O.G. chapter at the meeting today. Welcome Brian.
