OLD BUSINESS

- August 18 –** 100th Anniversary ride to Milwaukee kick off party, hosted by FDI, held at the Trev Deeley museum in Richmond. This was a big success, and the Vancouver Motorcycle Drill Team escorted the bikers to the freeway, blocking intersections. Most members seemed to take the American route to Milwaukee.
- August 24 –** U.S. Burn Camp – Judy attended and reported that there were about 90 bikes that participated. Gerry arranged to have 30 disposable cameras given to the American Burn Camp. There is a surplus of burn camp funds, and it has been decided to use some of the funds to sponsor a family this Christmas.
- August 28 – 31 –** 100th Anniversary in Milwaukee. This was a great success, and Vern reported on the highlights of activities in the city.
- September 06 –** Langley Cruisin – even larger and more successful than last year.
- September 20 –** The ride to Vancouver Island was cancelled
- September 21 –** Thunder in the Mountains – large turnout, and the ride was a little faster than in previous years. There were wonderful door prizes, many of which were donated by the Miller Brewing Co.
- September 28 –** Oyster Run – There were apparently more than 25,000 bikes in attendance. According to Sean, Main Street was busier than Sturgis this year!
