

Vancouver Chapter Harley Owners Group Business Meeting September 8, 2007

The meeting came to order by Director Vern Bye at 10:00am at Trev Deeley's conference room.

Today's meeting was opened with Stuart from Trev Deeley's unveiling the New Buell 2008 '1125R'. We were the first 'public' to view this bike. This bike will not be on the showroom floor until November.

Everyone rode today, yes finally nice weather now that summer is over.

We welcomed two new members to our Vancouver H.O.G. chapter today. Welcome Ken & Joe!

OLD BUSINESS:

Through the summer the Wednesday evening rides have been a great success. There have been approx. 20 bikes coming out to ride to various destinations, a better turn out than the weekend rides (normally due to the weather).

July 8th Executive meeting – mostly discussed the Burn Camp & design of the Burn Camp T-shirt's for 2008.
