Vern indicated that the Canadian National H.O.G. Rally was held in Kamloops this year. Unfortunately, our Western Regional Director for H.O.G., Cliff Randal, passed away just before the rally took place. He had held this position for approximately 12 years and will be sorely missed. A number of chapter members had the honour to work with Cliff during the Western Regional Rally that was held in Maple Ridge in 2000. Cliff was always present at large H.O.G. functions.
