

THE 1993 REUNION RIDE

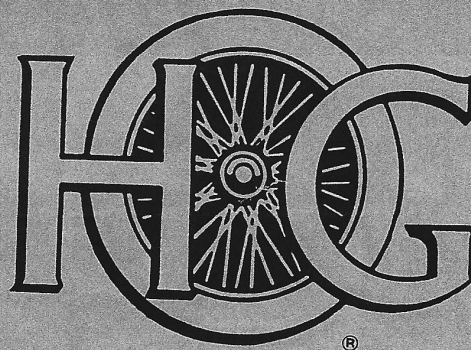

We had 20 rooms reserved at the RODEWAY INN, from Tuesday, June 8 to Saturday, June 12. There are possibly 2 to 3 rooms left. Rooms were blocked under Phil Crosby's name and may be reserved by calling (414) 771-4500

Our original first choice was the WOODS VIEW INN, but they would not reserve a block of rooms for the chapter. Unfortunately, this phone number was published in the newsletter by mistake and several members have been able to book rooms there..... so....

The phone number is (414) 671-6400.

It's up to you to figure out what hotel your reservation is at.

There are several groups discussing hooking up for the ride to Milwaukee if you have an idea for route or a date that you are departing call the answering machine and leave a message. We will publish a list of proposed routes and departure dates in the next newsletter, along with contact names.
